/Le Nguyen/  
Examiner, Art Unit 2174

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: applicant and examiner discussed amending claim 1 to include "a user selected view..., the view mode comprising at least one of the following: a position and a size of display associated with the first selected calendar... at the indicated user selected view mode with each selected shared calendar being aligned at the same indicated user selected view mode as the first selected calendar" as well as amending claim 42 to include "wherein the processing unit being operative to display each selected calendar in the view frame simultaneously comprises the processing unit being operative to display the first selected calendar at the indicated user selected view mode with each selected shared calendar being aligned at the same indicated user selected view mode as the first selected calendar, the user selected view mode indicating the position of display within the calendar" in order to overcome the prior art of record, pending further review by the examiner.
